Message from Mrs Maycock

Dear Parents and Carers,

This week seems to have flown by and the beautiful warm days are a real joy. The children are enjoying playing on all the lovely equipment we have.

It is wonderful to see so many thoughtful responses to our Big Question this week. As always, the children have earned their awards for demonstrating our values and skills. Well done.

Our Year 6 pupils are currently earning their prefect's badges and have begun to write their letters for the special jobs that they would like to do.

Have a restful weekend.

Kind Regards

Liz Maycock

Our Awards Assembly Prayer

Dear God

As we come together to celebrate others' awards, please help us to be encouraging, to be proud of others and to show our Christian values. Help us to aim for the highest and to use our talents well. Thank you for everyone who helps us to learn. Amen.

Prayer Corner This week's value is trust.

Dear God,
Please help us to know who to trust and help us to be
truthful and trustworthy ourselves.

Amen

I will say of the LORD, 'He is my refuge and my fortress, my God, in whom I trust.'

Psalm 91:2

This Week's Big Question What is more precious – water or gold?

Chestnut

Water because it hydrates you. – James

Gold because it's shiny. – Frankie

Gold because you get to keep it! - Louis

Water because it healthy for you and good for the birds. – Betsie-Ella

Water because it helps to give you lots of energy. – Maya

Oak B

Water because gold would run out quicker than water. - Lolly

Gold - because you can buy food and water to keep you alive. – Bradley

Water because it keeps you alive. – Grace

Water because gold can't keep us alive like water can. – Nia

Oak C

Water is more precious that gold because water is good for the environment. -

Aneeka

Water is more precious because you can't live without it. - Iris

Water is more important because it is good to drink it to be healthy. - Theo

Sycamore

Water is more precious because it helps us all to live. - Isaac

I think gold is more precious because it lets us buy or get the things we want and need. We could buy water with gold but can't buy gold with water. - Sai

FRIENDS OF LITTLE WALTHAM PRIMARY SCHOOL
(SCHOOL PTA)
AGM – MONDAY 27TH SEPTEMBER AT 8.00 PM (VIA ZOOM)

We are now hoping to be able to put on some fun events for the children whilst at the same time earning some funds to buy those little extras for the children to enjoy at school.

In the past, we have held Movie and Munch, Christmas Bazaars, School Fetes and School Discos. If you would like to help at any events or come along to any meetings to share ideas you would be most welcome, as without the support of parents/grandparents/carers we cannot hold these lovely events.

The Friends have contributed to the Coach for the Pantomime, Year 6 Leavers Party, books for the Library, wet play games for the classrooms and many other items.

If you are interested in finding out more about the Friends, with no obligation, please email admin@littlewaltham.essex.sch.uk.

This week in Oak B

We enjoyed making string telephones in our Science lesson. We investigated if we would be able to hear each other. |

This is our finger print artwork. We looked carefully at our fingerprints and tried to recreate them. We then wrote about ourselves on the fingerprints.

We have been reading the Iron Man and created our own pictures using pastels.
