Respond to texts, identifying the key points and use evidence to support responses.  <b>Reading Comprehension, Handwriting and Phonics/Spelling</b> sessions are carried out during the week.</p>	
<p><b>What you can could do to help:</b>  Help your child to learn their times tables.  Practise solving calculations using the operations, addition, subtraction, division and multiplication.  Help recall number bonds up to 20/50/100.  Solve a range of number problems together and show clearly how to work them out.  Help your child to understand the place value of different digits up to 1000.  Practise reading, writing and ordering numbers up to 1000.</p>	<p><b>What you can could do to help:</b>  Read regularly with your child and discuss the text. Read different types of text, e.g. fiction and non-fiction books, newspapers, leaflets and posters. Ask questions about what they have read, make predictions as to what will happen next and discuss their reasons, find out the meaning of any new words they come across.  Practise describing different settings and characters. Write a short story together. Please help your child to learn their spellings and encourage them to spell words correctly in their writing. Ensure the correct use of punctuation is used in pieces of writing.</p>	
<p><b>Science</b>  <b>Light and Shadows</b>  Understand that we need light in order to see things and that dark is the absence of light. Distinguish between light sources and reflectors. Investigate shadows, recording changes in size and identifying patterns.  <b>Forces and Magnets</b>  Investigate how objects move on different surfaces and understand what friction is. Investigate materials to find out which ones are magnetic.</p>	<p style="text-align: center;"><b>Maple Class – Year 3</b></p>  <p style="text-align: center;"><b>Curriculum Overview</b></p> <p style="text-align: center;"><b>Autumn Term 2021</b></p>	<p><b>Music</b>  Let your spirit Fly- R&amp;B  Glockenspiel Stage 1</p>
<p><b>Computing</b>  Search the internet using key words, save websites to favourites, develop and improve word processing skills, insert and format images, using software such as PowerPoint to create and sequence a series of slides, develop own programming skills.</p>		<p><b>PE</b>  PE Skills sessions taught by a Sports Coach – Tag Rugby</p>
<p><b>RE</b>  School vision and values  <b>Creation</b> -What do Christians learn from the creation story? What can we learn from Creation stories of other faiths?  <b>Incarnation</b> - Why does Christmas matter to Christians?</p>		<p><b>History/Geography</b>  <b>History - Stone Age to Iron Age Britain</b> – Learn about how people lived during the Stone Age and how they made tools and weapons. Investigate Skara Brae (an archaeological site in Orkney) and find out what it tells us about life in the Stone Age. Compare the life of a child during the Stone Age to present day. Learn about Stonehenge and what it may have been used for. Understand why people stopped using stone to make their tools and weapons. Find out about how people lived during the Iron Age.  <b>Geography</b>  Map out the Orkney Islands and answer positional questions using a compass. Consider where in the world, animals from the Stone Age period would've been located.</p>
<p><b>PSHE</b>  Beginning and Belonging.  Family and Friends.  Anti-bullying.</p>		

Day	Morning	Afternoon
Monday		
Tuesday
