## Message from Mrs Maycock

Dear Parents and Carers,

Thank you all so much for your continued support during this very long half term. The children have been absolutely brilliant, working hard and responding so well to achieving the best they can. Their efforts at being smart have been great to see with so many children showing me how they have tucked their shirts in and are looking tidy – well done.

All the adults in school have enjoyed seeing more of the children and getting back to being together as a whole school where we can. We all know that everyone remains vulnerable in some way to this pandemic but continued social distancing and sanitizing will make a huge difference.

It was such a pleasure to welcome more of you into school this week to look at the work – it is so important to the children for you to see how proud they are of what they have achieved. A big thank you to all my colleagues for their hard work and dedication to our school.

I wish you all a very happy and restful half term with some good weather!

Kind Regards,

*Liz Maycock*

Headteacher

## Our Awards Assembly Prayer

Dear God

As we come together to celebrate others' awards, please help us to be encouraging, to be proud of others and to show our Christian values. Help us to aim for the highest and to use our talents well. Thank you for everyone who helps us to learn. Amen.

## Prayer Corner

### This week's value is koinonia

*Dear God,*

Help us to remember to work together. Help us to remember that sometimes we need our friends to help us do things better. May we not be afraid to ask for help. Please help us to realise that even when we feel alone you are always on our team.  
Amen

*The body is a unit, though it is made up of many parts; and though all its parts are many, they form one body. So, it is with Christ. For we were all baptized by one Spirit into one body.*

## This Week's Big Question Is Heaven bigger than Earth?

### **Sycamore**

Yes, heaven is bigger because when you die you go to the kingdom of heaven and live forever with people you love- Luca

I think heaven is bigger than earth in ways such as giving us different opportunities. I think there are lots of different versions of heaven and that heaven shifts depending on what different people want and need- Joseph B

Yes, because heaven holds all the people and animals from the past- Adam

### **Chestnut**

Heaven is bigger as it is impossible to build anything bigger – Palaaksha

Earth is bigger – Poppy D

Heaven because there is lots of people in heaven –James

Earth is bigger because it has lots of countries and heaven doesn't - Momoreoluwa

## Oak B

It is impossible know because no one has ever come back to tell us – Lolly

Yes, because heaven is all around us and the Earth is just a planet. - Leo

Yes, because lots of people have died and there needs to be a lot of space. - Josh

I think yes because there's loads of people who have passes away over the years

- Kaiden

Yes, because it goes on forever – Kelsey

Chestnut Class

for the Smartest Uniform.

Generous God, we thank you for our school, for our friends and our colleagues.

We thank you for being with us in our work and in our learning. As we take a break from school life we thank you for this time for rest and refreshment, for fun and for time to play.

May you bless us, our homes and our loved ones with health, love and peace. Amen

Rev Sandra

Look at fabulous Celebration Board showing all the awards won this half-term.

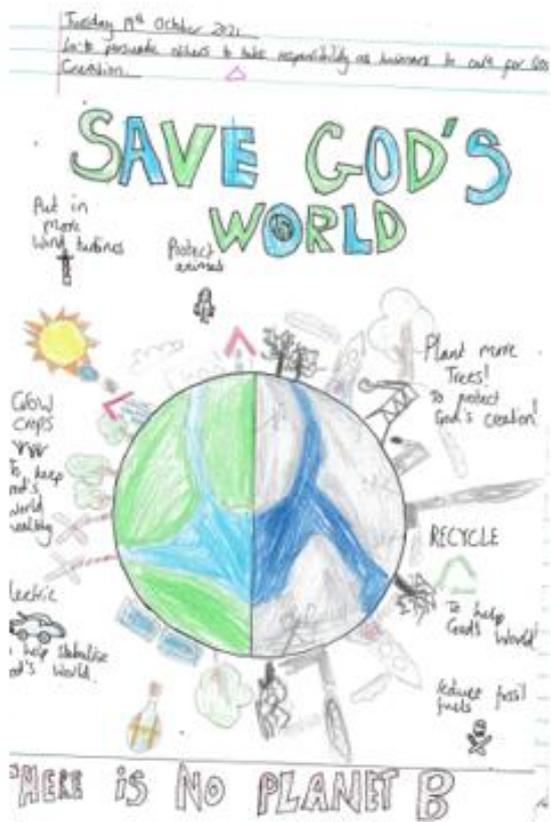

Sycamore have really enjoyed Dance P.E. lessons.

Each week children are taught a variety of different steps and then given time to choreograph their own routines.

Once they have come up with a routine, they perform to the rest of the class.

Sycamore class certainly has some wonderful, talented dancers in it!

# Take Your Responsibility

God wants us to take care of his planet not destroy it.

If we turn off the electricity in a room that we are not in it can stop fossil fuel.

Global warming is effecting people in the very cold countries.

God made us a planet to live on for us to take care of.

If we use electric things then we can stop pollution.

We can also pick up litter and put it in the recycle bins.

Help Our Planet Before it is too late
