

<p>Maths</p> <p>To start the term, we will be focussing on understanding formal methods for multiplication and division and we will begin to look at fractions, including the relationship between fractions and multiplication and division facts.</p> <p>In the later part of the term, we will continue to look at fractions and will then explore the relationship between fractions, decimals and percentages.</p> <p>We will continue to work on mental maths skills, including mental addition and subtraction and multiplication and division.</p>	<p>English</p> <p>To start the term, we will be focussing on a variety of text types including narrative writing, non-chronological reports and poetry.</p> <p>In the later part of the term, we will continue to extend language and vocabulary skills through narrative writing, persuasive writing and stories that raise questions and issues. We will be looking at the book, <i>The Wolves Are Back</i>, by Jean Craighead George. Throughout all of our English work, we will continue to develop understanding of punctuation and grammar.</p>	
<p>What you can do to help:</p> <ul style="list-style-type: none"> • Practise rapid recall of times tables and division facts • Practise understanding of related facts (3 x 5, 30 x 5, 30 x 50 etc) • Practise mental multiplication and division of a number by 10, 100, 1000 (including multiplying and dividing across the decimal point) 	<p>What you can do to help:</p> <ul style="list-style-type: none"> • Share your child's reading with them regularly, asking them to discuss their understanding and opinion of what they have read. • Encourage them to read a variety of different authors and genres (fiction and non-fiction) 	
<p>Science:</p> <p>In Science, we will be learning about living things and their habitats and will also look at how animals and humans change as they grow</p>	<p style="text-align: center;">Sycamore Class - Year 5</p>  <p style="text-align: center;">Curriculum Overview Spring Term 2022</p>	<p>PE</p> <p>Spring 1: Basketball</p> <p>Spring 2: Netball & Gymnastics</p>
<p>Computing</p> <p>In Computing lessons, the children will be learning about computer science, including coding to achieve specific results. They will also continue to use information technology to support research and presentation of ideas.</p>		<p>Art/DT</p> <p>In Art, the children will be developing their sketching, shading and painting skills.</p> <p>In DT, the children will be working with tools, equipment, materials and components to make quality products.</p>
<p>RE</p> <p>In RE the children will be learning about Islam and reflecting on what it means to be a Muslim in Britain today.</p> <p>In the later part of the term, we will be reflecting on the question: 'What did Jesus do to save human beings?'</p>		<p>Geography</p> <p>In geography, at the beginning of the term we will be studying the physical and human geography of Iceland and exploring the natural wonders of the landscape.</p> <p>In the later part of the term, we will switch our focus towards the unique geography, biomes and climate of Yellowstone National Park in the United States.</p>
